President's Message by Patti Rascon

Happy New Year to all! As the New Year is fast approaching I want to wish everyone a year of health and prosperity.

Our chapter is off to a great start for 2010. Our general meeting on January 13th will feature Helmets to Hardhats. This organization is dedicated to assist military, reservists and guardsmen to transform from active duty to a career in the construction industry.

Win, Place and Show is the theme for Region 12 Winter Conference 2010. The Hilton Garden Inn in Arcadia is our venue for a day of education and motivation. What a great way to start the New Year. With seats still available, I encourage all to attend. The day's events will include:

- Building Leaders at All Levels with Jodi Walker, Learn how to build a foundation of accountability, improved productivity and "personal ownership for results"
- Caruso Development on the Santa Anita Project
- Robin McCarthy, Executive Director Women At Work, *Improve and expand your job search options*

You will also have an opportunity to meet the NAWIC National candidates for 2010-2011. For more information and sponsorship opportunities you can contact Gwen Garis at gwengaris@verizon.net or www.nawic110.org
